The webinar is free of charge for all participants!

Come in

What is it about?

Originally initiated by the integrated mediation association, the regulars' table was an event created to ensure an opportunity for peer groups despite the pandemic. The online peer groups gradually turned into a meeting where participants exchanged ideas on mediation-related topics. It has been shown that the event provides a good opportunity for interventions. Therefore, it was renamed as an online regulars' table and is now offered regularly.

Regarding the language

As members abroad have shown increasing interest in this format of meeting and the need to avoid time consuming consecutive translation, the regulars' table will now also be offered as a meeting conducted solely in English, without translation.

When does the regulars' table take place?

The regulars' table takes place monthly on the first Wednesday of every month. Therefore, you can find the dates and access link in the calendar.

Who can participate?

You are welcome to join. However, participation only makes sense if you are professionally involved in mediation or are currently in training. Otherwise, there are no restrictions.

Who is the organizer?

The regulars' table is offered in cooperation with the integrated mediation association.

Are there any costs?

The event is free of charge.

What do I get out of it?

Stimulating conversations, current information on mediation and everything from case processing to marketing and training issues, exchanging experiences, meeting nice colleagues and expanding your network.

How do I participate?
