Are you already a mediator or aspiring to become one? Do you want to work more efficiently and establish yourself in the field? Are you looking for an opportunity to exchange ideas about mediation with other mediators and experts? Do you want to advance both mediation and your career? Here's an excellent opportunity to do just that. You can meet and exchange insights about mediation. Join the regular meeting that takes place every 3rd Monday every two month.

Doesn't matter from where you are. You are welcome. This offer started with the regulars' table for mediators, which takes place monthly but in German language only. It quickly became clear that there was a need to offer the regulars' table to mediators abroad and who do not speak German. For them, the recurring regulars' table is held every third Monday every two months. Any mediator or anyone interested in mediation can participate. The first participation is free of charge. The further and regular participations are only free of charge for premium members.

Idea and purpose

Mediators from different professions, cultures and countries meet here to exchange ideas on questions of mediation, case applications and methodology. The topics are introduced by the participants. The aim is to exchange knowledge and experience and to develop ideas on how mediation can be promoted.
